

Finding Messages Sent to a Google Group

This is useful if you mistakenly deleted a message or feel like you didn't receive something that was sent to one of your groups.

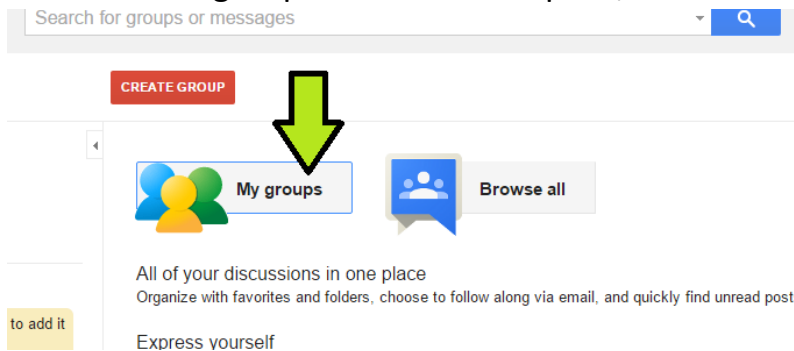

1. Within your Daemen email, click the apps box in the upper right corner:

2. Choose the groups App from the dropdown selection:

3. Within the groups window that opens, choose "My Groups":

4. Click on the group you wish to view and you will see a list of messages:
